# About HY.GIENE AUSTRALIA

Established in 1997, HY.GIENE Australia is a proud Australian Made & Owned company that has built a strong reputation for providing high-quality hygiene solutions.

## Key Markets

HY.GIENE Australia is a trusted supplier to several key markets, delivering high-quality hygiene solutions across a range of industries:

**Hospitality & Accommodation:** We serve 5-star hotels, resorts, premium accommodations, and hospitality kitchens, offering tailored solutions that ensure cleanliness, safety, and operational efficiency. Our products are also trusted in food processing environments. We specialise in Housekeeping, Food & Beverage and laundry care.

**Beauty Industry:** As a major supplier to Australian beauty colleges, TAFEs, and beauty professionals, we provide products that meet the high standards required for both education and professional practice. Our solutions are designed to support the unique needs of the beauty industry, ensuring optimal cleanliness and hygiene in treatment rooms and salons.

**Laundry Care:** HY.GIENE Australia offers effective and cost-efficient laundry care solutions specifically designed for the hospitality sector. Our products help motels maintain high standards of cleanliness, fabric care, and hygiene in their laundry operations. Chemical disinfection meets the standards of AS/NZS 4146:2000

## Facility Management & Contract Cleaning:

Our products and systems are relied upon by facility management companies and contract cleaners, including labour hire businesses, to maintain superior cleanliness and hygiene standards across diverse settings.

## Our Organisational Objectives

At HY.GIENE Australia, our mission is to deliver products and services that provide clear value by:

Reducing cleaning time and the number of products required

Minimising the risk of injury by offering safe, non-hazardous products

Ensuring compliance with all relevant regulations, including OH&S, and WorkSafe.

## The HY.GIENE Advantage

Partnering with HY.GIENE Australia results in:

**Increased Productivity:** Our solutions are designed to streamline operations and improve efficiency.

**Cost Reduction:** Our systems help reduce waste and unnecessary expenses.

**Superior Cleaning Results:** Our products deliver exceptional cleaning outcomes across various industries.

## Customer Service Excellence

HY.GIENE Australia is dedicated to providing outstanding customer service. Our professional customer service team offer expert advice to ensure the safe and effective use of our products, supporting your business at every step.

## Why Choose HY.GIENE?

**Optimised Product Range:** We work closely with procurement and operations teams to ensure our product offerings are streamlined, cost-effective, and efficient.

**Efficiency:** Our products and systems are designed to save time, enhance staff productivity, and minimise storage needs.

**Safety:** We exceed Occupational Health and Safety (OH&S) standards, ensuring the safety of your staff and clients.

**Environmentally Friendly:** Our products create a clean, vibrant, and safe atmosphere, contributing to the well-being of your clients and the environment.

We invite you to explore our catalogue, which offers a detailed overview of our products and services, alongside a transparent pricing structure. Additionally, we can offer trial samples of our chemicals so you can experience firsthand the quality and performance of our offerings.

# Hand Soaps & Dispensers

**LIQUID HAND SOAP  
& BODY WASH  
Antibacterial - Type A**

**5L Product code:** 11205

Antibacterial opaque liquid hand and body wash.  
A Mild, neutral pH. Approved for use in all areas of food & export meat preparation areas. AQIS approved.

**HY.GIENE HANDS  
Thin Clear  
Hand Sanitiser**

**5L Product code:** 20613T-C

Clear thin liquid 75% alcohol hand sanitiser. Non sticky, antibacterial and rinse free.  
Suitable for automated dispensing systems.

**AUTOMATIC SOAP  
DISPENSER**

**Product code:** 70296

**AUTOMATIC SOAP  
DISPENSER  
ON STAND**

**Product code:** 70295

**MANUAL SOAP DISPENSER  
STAINLESS STEEL**

**Product code:** 70298

**MANUAL SOAP DISPENSER  
EDCO DC800**

**Product code:** 70297

# Kitchen & Food Processing Cleaning

**MANUAL DISHWASHING LIQUID**  
**Concentrated Neutral Liquid Detergent**

**5L Product code:** 10305  
**15L Product code:** 10320

Concentrated antibacterial dishwashing and pot washing detergent. Highly concentrated neutral liquid detergent, formulated for hand dishwashing, pre soaking applications and a variety of manual cleaning operations. NSF NP. Green Apple

**MACHINE DISHWASHER LIQUID**  
**For Automatic Machine Dishwashers**

**5L Product code:** 10105  
**15L Product code:** 10120

Premium grade liquid detergent for automatic dishwashers. Handles all types of soil. Contains Potassium Hydroxide.

**AUTO DISHWASHER POWDER**

**5kg Product code:** 10205

Formulated for use in an automatic dish washing machine to remove stubborn baked on stains. Effectively cleans and destains a wide range of cutlery, crockery and plastic ware.

**SPARKLE Rinse Aid**

**5L Product code:** 10521  
**15L Product code:** 10522

Premium grade liquid rinse aid for automatic dishwashers and commercial rack conveyor dishwashers. Prevents spotting, assists in drying, leaves no residue. Suitable in hard water conditions.

**HG4 Hard Surface Cleaner Degreaser**

**5L Product code:** 10805  
**15L Product code:** 10820

Heavy Duty hard surface cleaner, formulated for cleaning grease, fat & other soils from floor and hard surfaces. For commercial kitchens and food processing areas. Suitable for steam/pressure machines & auto scrubbers. Non hazardous

**RANGE CLEANER Caustic Oven & Grill Cleaner**

**5L Product code:** 10705  
**15L Product code:** 10720

Premium grade caustic cleaner for grill, hotplates & ovens. Contains Potassium Hydroxide 190g/l Effective on outdoor barbecues.

**SANI.SAN**  
**Alcohol Surface Sanitiser**

**5L Product code:** 11025  
**15L Product code:** 11026

SANI.SAN is an alcohol based no-rinse sanitiser for all cleaned surfaces. The application is for ready-to-use sanitising in the food, beverage and dairy industries. Is suitable for use as a mid-shift disinfectant.

**SANI.GIENE**  
**Neutral Disinfectant  
Cleaner Sanitiser**

**5L Product code:** 11005  
**15L Product code:** 11020

Food safe sanitiser (No Rinse)  
Quaternary Ammonium compound for general use on walls, floors, benches, food processing equipment and in cold rooms & refrigerators.

**ANTI-BAC FS**  
**Degreaser & Disinfectant**

**5L Product code:** 20320  
**15L Product code:** 20321

FOOD SAFE Multipurpose cleaner, degreaser and sanitiser with added hospital grade disinfectant, TGA approved to kill COVID-19 for use in the food industry. ARTG. 353369

**GLASSWASHING.GIENE**  
**All-In-One Glasswash Liquid**

**5L Product code:** 10405  
**15L Product code:** 10420

Quality industrial strength 2-in-1 liquid detergent for automatic glass washer machines. No rinse aid required. Removes beer and wine residues, fingermarks, lipstick from glassware.

**ULTRA**  
**Combi Oven Cleaner**

**5L Product code:** 10722

Fast-acting detergent for removing fat, grease, carbon and food residues from combination steamer ovens. Formulated for cleaning the inside and outside surfaces of combi steamer ovens. Also suitable for cleaning other ovens, grills and hotplates.

**ULTRA**  
**Rinse Plus**

Keep your combi oven performing at its best with ULTRA RINSE. This ready-to-use rinse additive is designed for the automatic combi oven cleaning systems, neutralising alkaline detergent residues for an effective rinse process. It's fed automatically via a dispenser pump.

**DESOLVER**  
**Descaler**

**5L Product code:** 20650  
**15L Product code:** 20652

Effective against lime, rust & calcium. Mildly acidic suitable descaler for machine dishwashers.

**SAN.CHLOR**  
**6% Chlorine Bleach & Sanitiser**

**5L Product code:** 30304  
**15L Product code:** 30303

A heavy duty bleach sanitiser ideal for disinfecting cutting boards, knives, and other utensils to prevent cross-contamination.

**D-STAINER**  
**Chlorinated destainer powder**

**5kg Product code:** 10215

A powder detergent with the germ killing power of 4% available chlorine. Having excellent soil-penetrating detergency, it removes food and protein residues and is ideal for pre-soaking and destaining crockery and cutlery in kitchens, meatworks and food preparation areas. Useful sanitiser for cleaning utensils, benches and equipment.

**POWER LAUNDRY & KITCHEN SOAKER**  
**Oxygen Bleach**

**5kg Product code:** 40205  
**10kg Product code:** 40210  
**20kg Product code:** 40220

A white powder containing oxygen bleach for destaining in the kitchen. A very versatile product which can remove tannin from coffee and tea cups, wine, fruit juice and other stains from cutlery.

# Dispensers

**WareDose 35:  
Machine Dishwasher Dispensing  
Unit**

**Part Number:** WDG35090

WareDose 35 is controlled by a powerful microprocessor – providing intuitive programming via LED display – and has been designed with SEKO's patented auto-calibration technology which detects and maintains solution concentration via a conductivity sensor.

**Promax Bucket & Bottle Fill**

**Part Number:**

- PXB1F16S0000,
- PXS1F04S0000,
- PXS4F04S0000

**Available in:** 1 way fill, 4 way fill

**Pinnacle Warehouse Dispenser**

With the DEMA SmartTech app, Pinnacle is programmable through a Bluetooth connection.

SmartTech offers other useful features such as a real time dashboard, program sharing, reporting, and more.

# Floor Care

**MOP N GO**  
**Low Foaming Neutral Floor Cleaner**

**5L Product code:** 20316

**15L Product code:** 20317

Highly concentrated, low foaming neutral pH floor cleaner. Suitable for parquetry and used on food prep areas.

**SUPANOVA**  
**Non-Slip Floor Sealer**

**5L Product code:** 20664

A super-glossy, rock-hard sealer that dries off the mop to a high gloss film. Is tough and mark resistant that holds its shine even without buffing. Designed for sealing vinyl, timber and terrazzo floors.

**STRIPPET**  
**Concentrated Floor Stripper**

**5L Product code:** 20668

A powerful concentrate that attacks thick, buildup or hardened coatings of floor sealers and polishes. It attacks polish firms quickly and cuts deep down through the heaviest coatings.

# Housekeeping & Bathroom

**ENVIRO.GIENE**

**Multipurpose Cleaner, Degreaser, Sanitiser & Disinfectant**

**5L Product code:** 20205

**15L Product code:** 20220

Powerful multipurpose hard surface cleaner, degreaser, sanitiser & Hospital Grade Disinfectant. Kills 99.99% of germs including Pseudomonas aeruginosa, Staphylococcus aureus, Salmonella choleraesuis and CORONAVIRUS SARS-CoV-19 (COVID-19). ENVIRO.GIENE concentrate can be diluted for a variety of cleaning applications.

**VICTORY**

**Chlorinated Gel Bleach Cleaner & Sanitiser**

**1L Product code:** 11101

**5L Product code:** 11105

**15L Product code:** 11115

Gel bleach sanitiser for cleaning in bathrooms, showers, removes mould and kills germs. Contains Sodium Hydroxide & Sodium Hypochlorite .

**SHINE**  
**Surface Sanitiser & Glass Cleaner**

**5L Product code:** 20545

**15L Product code:** 20546

Alcohol surface sanitiser and glass cleaner. Streak free with a pleasant lavender scent. Suitable for touch point sanitising.

**ENVIRO.BRITE**  
**Toilet Urinal Bathroom Cleaner & Scale Remover**

**5L Product code:** 20548

**15L Product code:** 20549

All over washroom cleaner and scale remover with natural organic acids. Pleasant scent that is safely used on most surfaces including stainless steel, porcelain and stone.

**ANTI-BAC.GIENE**  
**Multipurpose Cleaner & Sanitiser**

**5L Product code:** 20305

**15L Product code:** 20315

Hospital grade disinfectant & multipurpose cleaner. Cleans and disinfects all surfaces and is safe on most metals. Removes a wide range of soils including fats, greases, carbon and other industrial soils.

**LUCY  
Air Freshener**

**5L Product code:** 20536  
**15L Product code:** 20537

Subtle floral scent.  
Long lasting residual perfume.

**MOUNTAIN AIR  
Air Freshener**

**5L Product code:** 20405  
**15L Product code:** 20420

Fresh and clean scent. Long lasting residual perfume. #1 Product for hotels.

**LEMONJAZ  
Air Freshener**

**5L Product code:** 20528  
**15L Product code:** 20529

Dual action cleaner, disinfectant and deoderiser. Lemon scent. Long lasting residual perfume.

**DASH  
Citrus Creme Cleanser**

**12 x 1L Product code:** 20631B  
**5L Product code:** 20630

Efficient crème cleanser with fresh lemon scent. Cleans grease, oil and grime without scratching. Cleans enamels, tiles, stainless steel, and chrome plated surfaces. Will not corrode metal, leave odours, effect skin or clothing.

**GLAZE  
Stainless Steel Polish**

**5L Product code:** 20698

Protects and enhances stainless steel and other surfaces. Effectively removes fingerprints, dust, oil, light lime and greasy films leaving surface clean and polished. Oil based product.

**BUFF  
Furniture Polish**

**5L Product code:** 20705

Instant shine, cleans and protects metal surfaces. BUFF easily cleans food grime, oily fingerprints from timber furniture surfaces..

**SPA.GIENE  
Spa Bath Cleaner & Sanitiser**

**5L Product code:** 20105

**15L Product code:** 20120

Market Leader. Premium quality wide spectrum antibacterial jacuzzi spa bath cleaner designed to effectively and hygienically clean and sanitise the entire surface and pump system of spa baths/spa pools/hydro spa/hot tubs.

**PURGE  
Spa Pipe Degreaser**

**5L Product code:** 20135

Heavy duty spa bath pipe degreaser. Used for residue problems in spa baths to break down and dislodge strong build up when spa baths haven't been flushed clean after every use.

# Laundry

**HY.WASH BREAK**  
**Liquid Laundry Detergent**

**5L Product code:** 30105  
**15L Product code:** 30120

Non hazardous premium grade product for **on premises laundries (OPL)**. Highly active, low sudsing with powerful optical brightener and soiling suspending agents for free rinsing.

**HY.WASH LAUNDRY DEGREASER**  
**Laundry Degreaser & Sanitiser**

**5L Product code:** 30605  
**15L Product code:** 30615

Uniquely formulated degreaser and sanitiser to remove heavily embedded soils such as grease, oils, tar, cosmetics and fats from synthetic cotton blends and pure cotton. Kills 99.99% of germs and removes oil retention in towels. Hospital grade disinfectant.

**HY.WASH BOOSTA**  
**Liquid Laundry Alkali**

**5L Product code:** 30124  
**15L Product code:** 30125

Concentrated liquid laundry alkali formulation for **on premises laundries (OPL)** to assist with the removal of grease, fat and oil from soiled garments in a laundering situation.

**HY.WASH FABRIC SOFTENER**  
**Fabric Sour & Softener**

**5L Product code:** 30205  
**15L Product code:** 30215

A concentrated, acid-finishing agent for use in industrial and commercial laundries. The sour formulation assists in removing suds to avoid wash staining.

**SANKLEEN  
Antibacterial Laundry Powder**

- 5kg Product code:** 40127
- 10kg Product code:** 40128
- 20kg Product code:** 40129

Free flowing white powder with a blend of surfactants, sequestrants and oxygen donating bleaching agents. It has a powerful sanitising action.

**TITAN  
Concentrated Laundry Powder**

- 5kg Product code:** 40105
- 10kg Product code:** 40110
- 20kg Product code:** 40121

Premium double concentrated formulation for use in hot and cold water. Fully biodegradable and suitable for front and top loading machines.

**POWER OXY BLEACH  
Laundry & Kitchen Soaker**

- 5kg Product code:** 40205
- 10kg Product code:** 40210
- 20kg Product code:** 40220

A white, free-flowing, oxygen bleach powder. Used on white, coloured and mixed loads. May be used in the main hot wash or in a separate bleach operation.

**CHLORBRITE  
Chlorine Laundry Bleach**

- 5kg Product code:** 40424
- 20kg Product code:** 40425

Organic-based chlorine bleach powder to whiten clothes and remove food stains in commercial laundries. Used in reclaim (white) washing.

**HY.GIENE ECO FRIENDLY  
Liquid Laundry Detergent**

**5L Product code:** 40122

Premium grade Hypo Allergenic liquid with enzymes for protein stain removal. Fully biodegradable. Highly active with powerful optical brightener and soiling suspending agents for free rinsing.

**HY.WASH PREWASH  
Laundry Stain Remover**

**5L Product code:** 30505

Prewash Spray is a concentrated aqueous solution of detergents and surfactants. It has a pH level of 13. Ingredients are biodegradable and will not accumulate in soil or water or cause long term problems

**HY.CHLOR  
Kitchen and Laundry Bleach**

**15L Product code:** 30315

12.5% Sodium Hypochlorite liquid chlorine bleach for on premises laundries (OPL)

**HY.WASH PEROXY 5  
Concentrated peroxide  
safety bleach**

**15L Product code:** 30455

A concentrated, powerful, corrosive, and oxidizing agent for on premises laundries (OPL). Has a wide range of uses from disinfectants to bleaches and has been shown to be generally effective with very safe by-products.

**HY.WASH LIQUID STARCH  
Liquid Starch**

**20L Product code:** 30123

Used for starching cotton bed sheets and table linen and polyester table linen and uniform clothing, HY.GIENE Liquid Starch is a wellpreserved, high quality penetrating liquid starch and releasing agent. Add to the final rinse.

**HY.WASH PLUS  
Industrial Laundry Detergent**

**3kg Product code:** 40505

HY.WASH PLUS Industrial Laundry Detergent is a one-shot laundry detergent for industrial laundry use where high alkali muscle power is needed for the removal of severe soiling, such as abattoirs, workwear, staining on white towels/linen and mechanics' overalls.
