## 1. PRODUCT INFORMATION

- One Stop Process
- Highly concentrated to ensure economical use rates
- Heavy duty cleaning action
- Will clean effectively in heavily soiled conditions.
- Low foaming hot or cold
- Completely neutral - safe on all surfaces
- Phosphate Free formulation
- Fully biodegradable "Recognised - Environmental Credentials Scheme"

**MOP N GO** is a heavy duty highly concentrated, low foaming neutral detergent. It combines low foam detergency with soil suspending agents.

**MOP N GO** is suitable for use in autoscrubbers and high pressure washers, with a mop and bucket or a spray and wipe. **MOP N GO** is suitable for use on floors, walls, benches, tiles and most other surfaces. It will effectively clean all types of common food soils as well as cooking oils and also motor oils and greases.

## 2. METHOD OF USE

### DIRECTIONS FOR USE:

- 1. AUTOSCRUBBERS** - Dilute 1 part to 120-150 parts water (1/2 litre per 60 litre autoscrubber tank) or 2-3 cups.
- 2. GENERAL CLEANING** - Dilute 1 part to 100-150 parts of water (1/3-1/2 cup per 10 litres water).
- 3. SPRAY AND WIPE** - Dilute 1 part to 100 parts water.
4. Rinse with potable water after use.
